

TheManPF releases new single and announces “*Prime Cuts*”, his first album compilation

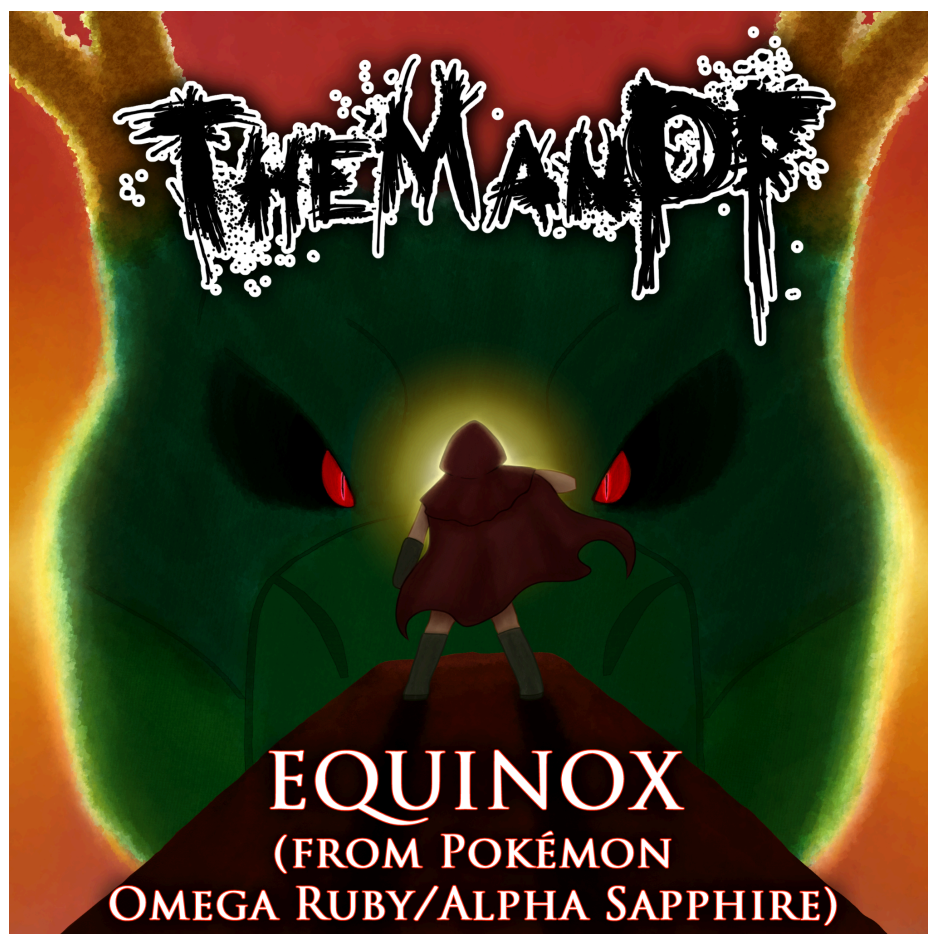

Tijuana, México.- June 2025 marks an important milestone for **TheManPF**, artist and composer from Iguazú (Argentina), who has turned video game music into his passion and means of expression. After more than a decade of making music, collaborating and experimenting, he presents ***Prime Cuts***, his first album compilation. It will contain music from some of gaming’s most iconic franchises, in arrangements full of emotion, virtuosity and love for the source material.

TheMan is a versatile performer who has been living in Mexico for some years now, with an academic background on music composition, specialized in video game music. His career started on YouTube, where his **VGM** and anime covers attracted nostalgic fans. Nowadays, he’s active in several international communities such as **Dwelling of Duels**, **OverClocked Remix**, **Pixel Mixers** and the **Virtual Video Game Orchestra**. Besides competing and collaborating, he also contributes to these groups as a volunteer and organizer.

Prime Cuts will include reinterpretations from popular games such as **The Legend of Zelda**, **Mega Man**, **Pokémon**, **Shadow of the Colossus**, **Cuphead** and **Hollow Knight**. Highlighting **TheMan**'s particular focus on creativity, technique and emotional impact. They aren't just covers: each track is a conversation between the artist, the game's music and the audience's context.

As a sample, you can listen to **"Equinox"**, a powerful ballad from **Pokémon Alpha Sapphire & Omega Ruby**, which serves as a calling card for the upcoming album. Available everywhere on streaming, this single captures the essence of versatility of **TheMan**'s work. It offers us a melancholic take on **Zinnia's Theme**, a popular character among fans.

TheManPF's trajectory is characterized by teamwork and achievements. In 2024 he was awarded **"Best Hip Hop Track"** at the **Game Music Remix Awards** for **"With a Little Help From My Friends"**, an arrangement from **Super Smash Bros.** that pays homage to the community that has supported him throughout his career.

Prime Cuts will be available on all platforms next June. Keep an eye out for this album release on **TheManPF**'s official channels:
